- a) Treasurer help
- b) COVID protocols

Next board meeting November 9, 2021 6:30 pm St. John's

VI. Adjournment

*President Report:

We are all set to have our April concert and production week rehearsals at St. Bernard. NOTE: Friday's rehearsal must start no earlier than 7:45 because of "Stations of the Cross" event. We can use their live streaming capabilities for December and April if we choose. They have volunteers that would run the "Mevo" camera (which is on wheels!). If we decide to live stream, we need to give them time to find a volunteer. If I understand correctly, they would give us a link to the concert. If there is a way to charge a fee for the link let's talk about doing both, live streaming and live performance.

A letter to The Cricket Foundation was sent to thank them again for their support, updated them on our past video season and our upcoming season, and to let them know that with their help we are able to plan a full season this year.

Web site's home page has been updated. Video performances moved to "Past Season" page. There is still a few things to tweak and it will be done soon.

Sent in a blurb about VC for Chorus America's "Rediscovering Harmony" Social media campaign.

Details:

#RediscoverHarmony encourages the public to support choral organizations through attending, listening, singing, and donating. [Read more about the campaign here.](#)

Add Your Chorus to the #RediscoverHarmony Directory

Adding your group to the [searchable #RediscoverHarmony directory](#) is another step you can take to be part of this highly visible, excitement-generating campaign. Visitors to the #RediscoverHarmony website will be able to use the directory to search for -- and donate to -- organizations in their communities.

The directory is free and all groups in the U.S. and Canada are invited to participate.
