President's Report

Concert was a great success! The whole process was a (at times stressful) learning experience for many of us. Thanks for the entire board for making the concert the wonderful event it was. Kudos to Sarah for diligently working to monitor our ticket count and overseeing our Ludus ticketing site! I've heard nothing but positive feedback about the concert from everyone! Our live stream was VERY well received!

Papers have been signed to continue our rehearsals at St. John's for the rest of the season and to hold our June concert there. They are looking forward to continuing our relationship with them. Their Music Director, Markus Centola, attended our concert with his wife and child and had nothing but praise for what we heard.
