\*President Report:

Rehearsing at St. John's went well, no issues other than climate control. The relationship we have built with them and St. Bernard, I believe, are good ones on both sides.

Finding John Patorelle for IT help is AWESOME! Thanks to Julie for suggesting CT. Voice Channel as a resource.

I had a phone discussion with Mike Purcaro (Vernon Town Administrator) about the Vernon Arts Commission's possible demise. Vernon decided NOT to dissolve VAC but they will not be receiving funding from the town for grants but they can continue. They are creating an Arts and Culture Commission in light of plans to create a Cultural District in the Rockville area. It's my understanding that VAC will get funded 1 more year, then funding will move to the new commission. The conversation led to discussing how he and the town's communications director are more than happy to help get press when we have special news or events as they are in contact with the press almost daily and have long relationships with them.
