

## Become a supporter of the arts!

The Vernon Chorale invites business leaders to partner in its mission to develop choral singing skills, educate audiences through performances, and support the growth of young musicians.

Vernon Chorale performances aim to educate, lift the spirits of our community, and provide a platform for our future singers, conductors, and music educators. With community support we can continue to bring people together, enrich the culture of our community, and nurture the next generation of local talent.

Will you consider supporting our efforts?
